SPORTS MARKETING AUSTRALIA REPORT

## Capacity and Capabilities Assessment

Review Date: December 2016

## Document's Primary Purpose

This Capacities and Capabilities Assessment has been prepared to provide Griffith City Council with an understanding as to which events can be beneficially relocated to your region, in which sporting disciplines and at what level.

This assessment is a Griffith City Council owned document. It provides Griffith City Council with valuable information, but it is primarily intended for the internal use of the representation team at Sports Marketing Australia. The document itself is used as a tool to demonstrate the region's capacity when speaking with National, State and Regional sporting bodies in regard to events placements.

## Region

The City of Griffith is located in the Riverina region of NSW. It is approximately 570km from Sydney; 450km from Melbourne; and 350km from Canberra. Visitors travel in and out of the region by road (83%) and air (18%) with daily multiple direct services from Sydney and three services from Melbourne per week.

Like Canberra and the nearby town of Leeton, Griffith was designed by Walter Burley Griffin. Griffith was named after Sir Arthur Griffith, the first New South Wales minister of Public Works. Griffith was proclaimed a city in 1987.

The Griffith District has a population base of 25,000. The median age is 34, and the average household size was 2.6 at the previous census.

Griffith is all about food, wine, friends and family. More than 60% of the people of Griffith have Italian heritage, and the early migrants brought with them their traditions of agriculture, market gardening and their passion for food. The region is considered the food bowl of NSW and Griffith is a very significant agricultural food region, supplying more than 75% of NSW wine grapes, 70% of NSW citrus production and 90% of Australia's rice crop. Griffith wineries export over \$800m of wine per year. It is also home to the largest chicken meat producer in Australia.

Griffith was established in 1916 as part of the NSW Government's Murrumbidgee Irrigation Area (MIA) project to supply irrigation from the Murrumbidgee River to be used for farming in the Riverina. The main dam used for the storage of water in the project is the Burrinjuck Dam. It stores water to be released down the river for irrigation when required. The main irrigation canal is almost a river in its own right as it flows through the MIA to Griffith, supplying water to the entire area, and ends to the northwest of the city.

Tourist attractions for visitors include wineries, a wide variety of dining, local history and gardens. Griffith's Italian heritage is celebrated in the Italian Museum, which is located within the Pioneer Park Museum grounds. A variety of artefacts are on display that pioneering Italian families brought with them on their long voyage to Griffith. It is also highlighted in a number of events throughout the year such as La Festa and the Festival of the Sausage (Salami) in October.

## Climate

Griffith in the Riverina experiences mild winter days with clear blue skies. The region has a pleasant climate in autumn and spring and the summer months are long and hot with some days exceeding 40 degrees.

In May the mean maximum temperature is 19.2 degrees and the mean minimum temperature is 6.9 degrees, with an average rainfall of 34.2mm. In August the mean maximum temperature is 16.7 degrees and the mean minimum temperature is 3.9 degrees with an average rainfall of 33mm. In November the mean maximum temperature is 28.2 degrees and the mean minimum temperature is 13.1 degrees with an average rainfall of 34.7mm.

## Media

Griffith is served by several radio stations, including 2MIA FM, Radio 2RG, Star FM 99.7 and Radio FM 95.1. The ABC also broadcasts through the region on ABC Riverina. The city receives network television stations Prime 7 (a Seven Network affiliate), WIN TV (a Nine Network affiliate), the Ten Network, the ABC and SBS. The local Griffith newspaper is The Area News, published Monday, Wednesday and Friday.

## Sport in the Region

Griffith is a region with a long sporting history, especially in the core sports of soccer, cricket and touch football. Participation levels in sport overall have been growing over the last two years, with indications that the growth will continue in the junior ranks.

Of the chosen sports, a number were rated HIGH with the potential of attracting events to the city of Griffith. These sports are:

- Karting, which has a good level of event management experience
- Cricket, which has a number of good facilities and a solid base association
- Tennis, which has a unique opportunity for clay courts (very rare these days)
- Cycling, which has a strong club base and excellent road facilities in the region
- Touch football, which has a competition locally comprising over 148 teams

## Sports and Associations Overview

(Please see individual sports reports in main document for full analysis and potential event rating)

### **Karting – Griffith Kart Club**

Human Capacity Rating – National

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – Membership in the Griffith Kart Club has been stable over the last two years and the committee is of the belief that they will see the seniors remain that way over the next two years and with around a 10% growth in the junior ranks. The club is predominantly made up of male members with female making up around 10% of the overall membership.

**Strengths** – The club has a strong membership base in regard to club participation and helping the incumbent committee. They are willing to help out on special club days and events for the benefit of the club. The club has a committee of 10 who work well together and who meet every month.

**Event Experience and Potential** – The club has a good level of event experience from having held large regional events in the past that has seen 120-150 competitor karts over 2 days. The club is currently under consideration and in the final round to host an upcoming state championship.

**Sport Summary** – Karting is in a position to attract ongoing events to the region due to its location on the central west and the high level of facilities in regard to the 835m bitumen track.

### **Cricket – Griffith District Cricket Association**

Human Capacity Rating – National

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – The membership of cricket in Griffith has seen a slight decline in the last two years but seems to be remaining stable in the current season. The board is unsure of the position in regard to trends over the next 2 years saying that with fluctuations in the past it is hard to predict. Even though this sport is open to females there are only 12 junior female members in the approximate 500 membership base.

**Strengths** – The region has a good level of pitches with over 14 in use for the normal competition. Of these there are 6 pitches of 'excellent' standard and the remainder would be classed as local competition. The association has a good cross section, from all participating clubs on the executive board which results in a good working relationship with all clubs involved.

**Event Experience and Potential** – The association has in the past hosted, with the relevant event owner at the time, the Toohey's Cup and would like to look at possibly hosting an ACA Master's Event in the future.

**Sport Summary** – Cricket in Griffith has a good following and with the good climate, some excellent facilities it would be an ideal location for future events.

### **Touch – Griffith District Touch Inc.**

Human Capacity Rating – State

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – The local touch competition in Griffith has a large membership of approximately 1700. 40% of those participating are ladies in the mixed or women's competition. The committee believes that the current membership members will remain the same with a possible slight decline in the senior ranks.

**Strengths** – The club is financially sound due to its large membership. It has the use of facilities of a high standard at Ted Scobie Oval which is ideally suited for a large event with over 14 fields which are tiered.

**Event Experience and Potential** – The club even though having not had any externally major events are willing to host a state championship especially in the lower age brackets of 14/16/18.

**Sport Summary** – The club is well run and has over 145 teams participating in their regular competition.

### **Cycling – Griffith Cycling Club**

Human Capacity Rating – National

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – Membership at the Griffith Cycling Club is small with only 69 members in total. This has been stable over the last 3 years and the committee believes there has been an indication that the trend for the forthcoming years will see approximately 20 new members.

**Strengths** – Even though only a small club one of its main strengths is the willingness for their members to help out with events and fundraising. The club is financially sound and has a strong level of sponsorship for a regional organisation. The committee of the club is active 12 months of the year with club competitions only not taking place in January.

**Event Experience and Potential** – The club's experience with hosting events is limited but members within their organisations have events skills having worked on larger events in other regions. The club has hosted a number of interclub challenge events in the past which has seen 70+ riders over the two day programme.

**Sport Summary** – The club even though small in membership numbers is a professional organisation and will host the State Masters Road Championship in 2014.

### **Tennis – Griffith Tennis Club Inc.**

Human Capacity Rating – State

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – The Griffith Tennis Club has seen a decline in membership over the last few years with no incoming younger members and the older ones retiring from the sport. The loss has been sizable over the last 5 years when the region had over 500 active tennis members it is now just below 260.

**Strengths** – The club's strength lies in the area of their 11 well maintained clay courts as there are very few available these days in both metropolitan and regional areas. The facility is well run with the club's professional working from the small dedicated clubhouse.

**Event Experience and Potential** – The Griffith Tennis Club has extensive event experience having attracted events with over 200 participants in the past with some of these being held over 4 days.

**Sport Summary** – With the club's extensive experience they are well suited to host a clay courts event if one becomes available on the calendar.

### **Soccer – Griffith and District Soccer Amateur Association Inc.**

Human Capacity Rating – National

Facility Rating – State

Event Potential Rating - HIGH

**Membership** – The membership of soccer in Griffith is particularly strong with over 2000 members. In the last two years it has grown slightly in both the senior and junior ranks. The sport has a good participation level from the female ranks with over 400 members. The committee believes that the sport will continue to grow slightly over the next two years at a rate of about 5%.

**Strengths** – The club is in a sound position financially due to the strong membership. It also has a good level of sponsorship and succeeds in promoting and marketing their sport well. The association is overseen by a small executive with a representative from each club on the committee who work well together. The association also has access to some well-appointed venues.

**Event Experience and Potential** – The sport of soccer has seen the region host a state aged championship in 2013 and also larger regional events. They would be interested in hosting further state aged championship in the future should the opportunity arise.

**Sport Summary** – With the ethnic background of the community from immigrant Italians the sport of soccer is one of the strong sports of the region. It would also be an ideal region to host a preseason A-League Game due to the potential of good spectator numbers.

### **Shooters (Sports Clays and 5-Stand) – Sporting Shooters Association of Australia (NSW) – Griffith Branch**

Human Capacity Rating – National

Facility Rating – National

Event Potential Rating - HIGH

**Membership** – The Shooter Association (Griffith Branch) has seen a very strong growth in numbers in the last 12 months by some 25% to take their membership over 500. The committee believes that this growth will continue as target shooting has become increasingly popular with the locals. It is estimated that the growth will see a further 76 members in 2014.

**Strengths** – The association has particular strengths in their strong governance and the organisation of their sport as a whole. They have facilities of a high standard in both the clay range and the rifle range.

**Event Experience and Potential** – The association and their members have extensive experience in the major event arena having hosted both numerous state and national events in the past in both disciplines. The events have attracted over 100 competitors plus accompanying partners for a 3 day duration.

**Sport Summary** – The sport of rifle shooting or clay target would be well suited as the host to any major event in the future.

#### **Motorcycling – Griffith Motorcycle Club Inc.**

**Human Capacity Rating** – State

**Facility Rating** – State

**Event Potential Rating** - HIGH

**Membership** – Motorcycling has had a stable membership over the last two years in the senior ranks with the junior ranks seeing a slight growth. The committee believes that the trend in the next two will see growth in both ranks.

**Strengths** – The club's strength lie in the events that they host for their members and competitors from outside the region. They have a proactive membership who is willing to help when required. The club also recognises their short comings and believes they could do much better in the area of promoting their sport and finding sponsorship.

**Event Experience and Potential** – The club has hosted no state or national events, but has had a number of club events which has seen competitor numbers reach 160 over a three day period. They are due to host the 2015 Australian Senior Dirt Track Titles and would be interested to possibly host others in the coming years.

**Sport Summary** – The committee believes that they could do a much better job if they were not so time poor due to personal commitments.

#### **Bowls – Griffith Exies Bowling Club**

**Human Capacity Rating** – State

**Facility Rating** – State

**Event Potential Rating** - HIGH

**Membership** – Membership for bowls in Griffith is strong and the forecast in the next two years is for that to remain stable. Even though the membership is aging, bowls is being introduced to a younger generation through a privately owned business in the region with the blessing of the clubs.

**Strengths** – The club has a core base of volunteers who would be happy to help out any event owner should they have the opportunity to host an event.

**Event Experience and Potential** – The club has had some event experience in the past and would be willing to hosts a state event in the future if their facilities are of the standard required.

**Sport Summary** – Exies Bowling Club have two synthetic greens and superb clubhouse facilities in a number of locations in the city. Griffith hosted the Griffith Masters in 2012 and 2013 and was to be an annual event but will not be held in 2014 due to a change of committee.

#### **Sailing – Griffith Sailing Club**

**Human Capacity Rating** – State

**Facility Rating** – State

**Event Potential Rating** - MEDIUM

**Membership** – Membership of the sailing club is small with only around 40 members, but there has been some slow growth of one or two members over the last few a years.

**Strengths** – The club being only small is very hands on, even with a small executive of five members the workload is shared across the whole club. The club is financially stable and in a good position and are always working to improve their facilities.

**Event Experience and Potential** – The sailing club has never held any state or national events but they hold regular annual regattas attracting up to 25 vessels

**Sport Summary** – The club uses the facilities of Lake Wyangan which is the main north lake over 2km long and 1 km wide. They have a well-equipped clubhouse and onsite caretakers.

### **Rowing – Griffith Rowing Club**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating - MEDIUM

**Membership** – The Griffith Rowing Club has a very small membership of only ten members who use the facility of Lake Wyangan and that of the sailing club clubhouse. The committee believes that they will see 100% growth in membership over the next 12 months.

**Strengths** – The club is well placed financially and also receives a good level of sponsorship relevant to the size of their membership.

**Event Experience and Potential** – The club has held no events of any significance size in the last two years but their venue would be ideally suited for a Spring event as they have a course of over 2km long if required. The club would be eager to attract an event should their facilities suit the criteria.

**Sport Summary** – Rowing has the potential to grow in the region with the right promotion and the available waterway. Unfortunately in late 2013 and early 2014 Lake Wyangan was subject to Blue-Green Algae which would make it hard for an event organiser to commit to a scheduled event in the future years.

### **Basketball – Griffith Basketball Association Inc.**

Human Capacity Rating – State

Facility Rating – State

Event Potential Rating - MEDIUM

**Membership** – Basketball has seen a strong growth in the last 12 months with an increase of 65 members to now having an excess of 250 members in total. This has been mainly driven through the junior ranks as the senior category has remained stable over the last two years. The committee believes that the trend will continue and see the sport growing a further 25% in the next two years.

**Strengths** – The association has a board of 5 who work effectively together to oversee the sport in Griffith. They hold regular meetings with their stakeholders (clubs) and rate these as productive.

**Event Experience and Potential** – The association oversees their annual two day event the Western Junior league which has over 300 competitors playing for two days. They have never held a state or national event to date but are willing to host one should the opportunity arise. The region in the past has held an NBL Challenge match which was well supported.

**Sport Summary** – The basketball facilities in Griffith are shared with netball, badminton and volleyball. The number of courts for basketball total two (indoors).

### **Shooting (Clay Target, Trap, Skeet and Trench) – Griffith Gun Club Inc.**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating - MEDIUM

**Membership** – Membership has grown in the Gun Club in the last year in both the senior and Junior supervised ranks. The committee believe they will see a small growth of 5% in the next two years.

**Strengths** – The club has a strong focus on sponsorship which underpins their club financially and also their annual event which is supported by Casella Wines.

**Event Experience and Potential** – The club in the last two years has not held a state or national event but do hold their annual Casella 2 Day Shoot which is now in its 16<sup>th</sup> year and attracts a large following from year to year.

**Sport Summary** – The club is well structured and holds regular shoots every fortnight for their members throughout the year. They have a good working relationship with the Sporting Shooters Association and would be willing to help each other out with events should that opportunity arise. There is also some cross over with some people having memberships of both organisations.

### **Powerboat – Griffith Boat Club Inc.**

Human Capacity Rating – State

Facility Rating – State

Event Potential Rating - MEDIUM

**Membership** – Membership of the Griffith Powerboat Club has been stable over the last two years with over 300 active members. Should the family membership category been taken into account the club would have a membership in excess of 1000. The club's committee believes that the membership will remain stable in the next two-three years.

**Strengths** – The club has a strong focus on marketing their sport having held a number of open days in the past to attract new member families. The committee have a dedication to attract families as membership for the sustainability of the sport in the region.

**Event Experience and Potential** – The club has extensive event experience at a national level having held the AFISA Australasian Jet Sprint Boat Championship and the APBA National Championship. Both these events attracted competitors from NSW, SA and Vic, which made Griffith the ideal location. The club also hosted the V8 Super-boat Championship over Easter 2014.

**Sport Summary** – The sport is very happy with their current involvement with Council and have noticed a huge difference in support since the appointment of Greg Lawrence.

#### **Running – Griffith Feral Tri'ards**

**Human Capacity Rating** – Regional

**Facility Rating** – Regional

**Event Potential Rating** - MEDIUM

**Membership** – Membership of the running club in Griffith is large in comparison to some sports. They currently have over 520 members and it is growing each year. The committee believes that this trend will continue at around 5-10% per annum in both the junior and senior categories.

**Strengths** – The club is well organised in regard to running their annual events and enjoy a strong financial position and sponsorship level. They also promote their sport well in the region and this is reflected in their membership growth.

**Event Experience and Potential** – The club runs two annual events which are the Bacchus Fun Run attracting over 500 entrants and the Griffith Half Marathon which attracts only about 70 entrants.

**Sport Summary** – The club unfortunately has no permanent base (clubhouse) and therefore hold meetings in a designated area. They are well suited to hosting an event with the assistance of Council in securing a venue and the event organiser would enjoy a good level of entrants from the local club.

#### **Rugby – Yenda Rugby League Football Club**

**Human Capacity Rating** – State

**Facility Rating** – State

**Event Potential Rating** - MEDIUM

**Membership** – Membership of the Yenda RLFC has been stable in the senior ranks for a number of years but has seen some small growth in the junior ranks in the last year. The club believes that this now will remain stable.

**Strengths** – The club has good support from its members which is reflected in their stable membership. They have a good level of local sponsorship and promote and market their sport well in the Griffith region.

**Event Experience and Potential** – The club has hosted no major events but would be willing to do so at a junior level or even through to a pre-season game should their facilities meet the required criteria.

**Sport Summary** – The facility for this sport and potential events is of a good standard and with the support of the club members could host events in the future.

#### **Rugby Union – Griffith Rugby Union Club**

**Human Capacity Rating** – State

**Facility Rating** – State

**Event Potential Rating** - MEDIUM

**Membership** – Rugby Union has seen growth in the senior ranks which has pushed close to 450 members in the last 12 months. The junior ranks have remained stable and this trend is predicted to continue over the next two years. The growth has been particularly strong in the male and female senior category and the club has just started an under 5's and under 7's competition and this is expected to result in a good growth performance in that category.

**Strengths** – The club is financially in a good position and has a high level of sponsorship support from the local business community. They are also very proactive in the area of promoting and marketing their sport having a schools' program in place and also a skills development program in place.

**Event Experience and Potential** – The club has had no experience or association with major events in the last two years, but they would have the ability to host a state level event. They would be interested in Women's 7's Tournament or a junior under 10, 13 or 17's event.

**Sport Summary** – Even though the club has limited event experience they are very willing and would welcome the opportunity to work with a state organiser to up skill their event management capabilities.

### **Athletics – Griffith Athletics Club Inc.**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating - MEDIUM

**Membership** – Membership for athletics has grown in the last two years in Griffith by close to 20 with a total of 260 members. This has been driven mainly through the school visit recruitment program and the PB Program which is being driven by the state body.

**Strengths** – The club has a very strong volunteer base which is in line with the very large committee of 28. They are mainly the parents of all the junior members who are willing to help out at club and other events.

**Event Experience and Potential** – The club has some event experience having held the MIA Championship for the last 44 years which attracts around 200 competitors.

**Sport Summary** – Unfortunately due to the facilities only being of a regional standard this sport is unlikely to secure an event greater than regional.

### **Darts – Griffith & District Darts Association**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating - LOW

**Membership** – Membership of the local Darts Association has seen a slight decline over the last few years but for a regional area the size of Griffith the membership is quite good at 165 members.

**Strengths** – The association has a strong board that runs the local competition well.

**Event Experience and Potential** – The association has no experience at events other than their local competition.

**Sport Summary** – Darts has no dedicated facility as such and play all their matches in various hotels and registered clubs. This is not to say they could not use an alternate facility in one location for an event.

### **Hockey – Griffith Hockey Association**

Human Capacity Rating – Regional

Facility Rating – Regional

Event Potential Rating - LOW

**Membership** – The sport of hockey has also seen growth in their membership over the last two years with approximately 190 members now registered. This growth has been seen in both the senior and junior ranks and the board believes they are on a massive growth surge in the junior ranks predicting some 50 new members a year on present indications.

**Strengths** – The club has seen the benefits of undertaking and committing to a skills development program and instigating their come and try days through the Regional NSW Coordinator. This has seen the interest in the junior participation and membership.

**Event Experience and Potential** – The association has held no events in the last two years of any significance other than their club schedule.

**Sport Summary** – Unfortunately due to the lack of any astro-turf facilities the region is unlikely to be able to attract any state level event when other regions having facilities are better suited.

### **Golf – Griffith Golf Club**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating - LOW

**Membership** – The Griffith Golf Club has seen a decline in membership over the last year which is in line with the trend in NSW regional clubs. The decline has been seen in the senior ranks in both the men's and ladies' categories.

**Strengths** – The club has a dedicated board who work well together and are active all year round. The club has a good level of sponsorship support and are working to build their membership through their recently undertaken Junior Program. The club is in a stable financial position but would like to improve on this over the next year.

**Event Experience and Potential** – The club would like to host a state event in the future. In the last few years they have not held anything more than regional championships and their own Pro Am which is now on hold as it has a budget of around \$100,000 to run.

**Sport Summary** – The facilities are of a good standard as the course is 18 holes with wide tree lined fairways. The clubhouse is dated and the board are looking to work towards renovations and extensions over the years to come.

### **Netball – Griffith Netball Association**

Human Capacity Rating – State

Facility Rating – Regional

Event Potential Rating – LOW

**Membership** – Membership for netball in Griffith hovers around 400 which has been reasonably stable over the last two years. The committee believes that this will remain the same over the two years with no growth predicted.

**Strengths** – The association has just had a new board in place at the time of the meeting and are looking to build the sport in the region.

**Event Experience and Potential** – The association has had no other event experience other than local carnivals.

**Sport Summary** – The region lacks the required number of courts to facilitate the hosting of anything more than a regional event at this time.

## Events and Tourism

### Events Calender and Tourism Overview

Griffith has annual visitors in excess of 273,000 in both the daytrip category and overnight stays. The majority of these people come to the region to visit family and friends; this is closely followed by business travel and holiday visitors. One of the main attractions for the holiday makers is the extensive wineries in the area. Griffith produces more than 45% of Australia's wine with a large export market. The wine industry in Griffith produces alone more than the entire Hunter Valley in NSW.

The highest category for visitors to the region are people travelling alone who make up 34%, this is closely followed by couples with 25% of the market. The next largest category is families with children who make up 22% of the market. The majority of visitors to Griffith travel there by car which makes up 77% and air travel 17%. Trains and coach travel is very low at less than 3%.

The city of Griffith offers visitors many cafes and restaurants of a high standard due to the ethnic background of Italians. The real highlight is the town's food and wine. Griffith and its fertile surrounds produces delicious local produce, including citrus, grapes, stonefruit and onions – much of it available from regular farmers' markets in the area. The city has a rich local history, a flourishing cultural scene with their La Festa and unWINEd events, features some unique parks and gardens and is surrounded by natural attractions.

Autumn makes Griffith a popular destination in the cooler seasons, and it's no coincidence that autumn is when the La Festa swings into action over the Easter weekend. The city's annual event calendar is as follows:

## Accommodation and Transport

### Accommodation Overview and Capacity

There are approximately 1530 people able to be accommodated in close to 930 beds in the city of Griffith on any given night. The current strengths in the provision of accommodation in Griffith are in motels. It should be noted that Griffith has a large percentage of business travel throughout the year and event accommodation should be booked early to avoid disappointment. In the past some event participants have been accommodated into Leeton and Narrandera.

### Transport and Travel Logistics

The city of Griffith is ideally located for national events due to its proximity and distances from Sydney, Melbourne and Adelaide. The city is also well suited for events as there are regular air services from Sydney and Melbourne and a good road network for car and coach travel from Sydney and Canberra.

Travel times from major centres are:

- Sydney – Approximately 6.5hrs from the CBD
- Melbourne – Approximately 5.5hrs from the CBD
- Adelaide – Approximately 9hrs from the CBD
- Canberra – Approximately 4.5hrs from the CBD

Griffith is serviced by a regional airport located approximately 4km to the north of the city with full hire car service provided for visitors. There are RPT flight operated by Rex Airlines on a daily basis from Sydney.

Rex Services Daily

Monday – Friday

Three daily services departing Sydney at 8.10am, 2.10pm and 5.40pm. Three daily departures from Griffith at 7.05am, 10am and 4.40pm.

Saturday

Two services departing Sydney at 7.55am and 10am. Three services departing Griffith at 8.10am and 10.25am and 12.30pm.

Sunday

Three services departing Sydney at 10am, 2.10pm and 6.35pm.  
Two services departing Griffith for Sydney at 12.30 and 4.40pm.

Rex Airlines has daily services from Melbourne to Wagga Wagga with car hire services available.

The City of Griffith has services direct from Melbourne three times a week provided by Par Avion Airlines.

PLEASE NOTE: This service is operated out of Essendon Airport with limited seats on each flight.

Griffith is serviced by NSW TrainLink XPT service between Sydney and Melbourne, this service is via Wagga with coach transfer to Griffith. Travel times by train are well in excess of road travel – Sydney to Griffith taking 9.5 hours. XPT Daily Departure– Sydney Central 7.32am arriving at Griffith 4.53pm.

NSW TrainLink operate alternate services with connecting train services from Cootamundra, but travel times exceed the above journey via Wagga.

Internally within the city in addition to the city's taxi fleet Griffith Buslines operate a number of routes and charter services.

### Potential Conferencing in Sport

The City of Griffith recognises the importance of business events as another income stream for the region.

From a sports event conference perspective, it must also be noted that significant outcomes are being generated in regional Australia from the growth and enhancement of this sector. There is a growing tendency for state and national sporting associations to hold their annual conferences at the same time as running their major event/s. Many national and state based sporting associations undertake multiple business related events each year, especially focusing on up-skilling their members.

Griffith is ideally positioned as a good location for this perspective of the *Sports Decentralisation Program*. In regards to attracting these sports conference events, Griffith has various opportunities with the variety of conference venues across the city that would be well suited.

### Alternate Venue Usage

The region of Griffith has a number of open green spaces that could be used for alternate events. Most of these venues would require some level of external equipment for catering and bathroom facilities depending on crowd numbers.

Ideally suited for concerts there is a number of wineries which have superb facilities and would be ideal due to possible noise issues. They are all of a high standard and further investigation should be undertaken at the time of placement.

In addition to these locations there are the open spaces of the Harness Racing Club and the Griffith Jockey Club. Once again these would be ideally suited for events that could have noise issues relating to their performances. They have basic facilities and would need closer inspection at the time of placement.

Dependent on the size of the event there are also locations within the city that could accommodate smaller events and add atmosphere to the city of Griffith.
