Real Juice Company Citrus Sculptures back in Banna Avenue

Griffith will mark the start of Spring Fest with the installation of the Real Juice Company Citrus Sculptures in Banna Avenue, this Sunday, 13 October.

This Sunday morning, over 800 community volunteers will come together to install each of the sculptures by hand.

Griffith City Council is inviting community-minded people to lend a hand.

"This year we have 65 sculptures registered, a mix of four new sculptures and returning favourites such as the grand piano, the life-sized giraffe and the talking robot," Council's Events Coordinator, Izabella Apolloni said.

Griffith Spring Fest attracts thousands of visitors from all over Australia every year. The unique Real Juice Company Citrus Sculptures are one of the core drawcards to Griffith Spring Fest.

The sculptures, which are on display for two weeks, are brought to life with over 100,000 oranges and grapefruit, grown across the region and kindly donated by the Real Juice Company.

As the largest citrus growing region in Australia, the Citrus Sculptures have become an iconic attraction, being the only display of its kind in Australia, attracting over 80,000 attendees over the two-week period.

Construction kicks off at 7:30am this Sunday 13 October. All volunteers will need to be inducted before entering the site. Volunteers are reminded to wear closed in shoes and bring a bucket to help cart oranges from the bins to your sculpture. For more information on becoming a volunteer, stop by the Griffith Tourism Hub, call on 1800 681 141 or head to www.griffithspringfest.com.au

Mamma Mia! Here we go again! Community musical returns

Griffith Regional Theatre is excited to announce the return of a Community Musical Production in 2025, featuring the much-loved music of ABBA in Mamma Mia!, licensed by Music Theatre International (Australasia). The show follows Sophie and her mother, Donna, in a heartwarming, and hilarious journey as Sophie seeks to find her father to walk her down the aisle. Theatre Manager Marg Andreazza said, "Our community musicals have been a hit with both audiences and performers, and Mamma Mia! will be no exception. Everyone loves ABBA's music, and it's sure to be a fantastic production." Performances are scheduled for September 2025, with expressions of interest now open for a Director and full production team. Auditions will take place early next year, and interested participants can register on the Theatre's website. Griffith Regional Theatre welcomes everyone to get involved as cast, crew, or sponsors.

Major road upgrades being undertaken across Griffith LGA

Motorists are being urged to exercise caution as a number of roadworks are currently underway across the Griffith Local Government Area (LGA).

These works are part of Council's commitment to improving infrastructure, safety, and connectivity for all road users.

While some delays are expected, Council is excited to see numerous projects progressing that will enhance our road network. Current projects include:

- Kidman Way Hanwood: Levee construction
- Kidman Way/Murphy Road: Upgrades
- Thorne Road (Kidman Way to Murrumbidgee Avenue): Changed traffic conditions; reconstruction set for January 2025
- Nelson Road/Dickie Road: Upgrades in progress

- Walla Avenue/Kookora Street: New roundabout installation

- Yambil Street: Stage 4 upgrades

- Animoo Avenue: Hospital redevelopment.

Motorists are reminded to be careful in all work zones and to follow traffic signage. Please be aware that speed reductions may remain in place even when workers are not present.

We recommend allowing extra travel time to accommodate potential delays due to traffic controls. Heavy vehicle drivers should comply with restricted access routes; however, traffic control will assist over-sized vehicles through work areas as needed. NSW Police will be enforcing speed limits, as well as adherence to traffic signals within the work zones.

Have your say on the future of housing in Griffith

Council invites residents to have their say and help shape our region's housing future.

Griffith is growing, and the demand for diverse housing options across our region is becoming increasingly evident. To ensure we meet the evolving needs of our community, Council has engaged PSA Consulting, to conduct a comprehensive review of the Griffith Housing Strategy, originally prepared in 2019. Council's Economic Development Coordinator, Karly Sivewright, is urging all Griffith residents to share their thoughts and insights on how Council can effectively plan for housing growth and change in our community.

"Your feedback will play a crucial role in identifying community priorities and shaping the discussions that will guide the future of housing in our region," Ms Sivewright said.

The survey is a valuable opportunity for residents to voice their opinions on a range of housing-related topics. The insights gathered will help Council develop a new housing strategy that aligns with the needs and desires of our community, ensuring that Griffith continues to be a great place to live, work, and thrive. The survey is quick and easy to complete, taking only a few minutes. Whether you're a homeowner, renter, or looking to move to the area, your voice matters in this important process. MESSAGE FROM MAYOR CURRAN

"The secret of change is to focus all your energy not on fighting the old but building the new." – Socrates.

Fortunately, the world doesn't revolve around elections and there continues to be so much happening in our wonderful community. The 100-year celebration for Lake Wyangan school, the Southern Jamboree Basketball event at the Griffith Regional Sports Centre, The Griffith Relay for Life and the 100-year celebration for the Griffith Baptist Church, just to name a few.

Also, this weekend will see the citrus sculptures erected and we hope Heesco can finish the mural on the water tower. He's done such a wonderful job, it truly looks great.

However, I would like to use this column to welcome our new and returning Councillors as well as thank those departing our Council. You will get the opportunity to meet and learn about the new Councillors over the coming weeks as part of the Catch Up. I would like to welcome Mark Dal Bon, Scott Groat and Tony O'Grady and I look forward to working with all three gentlemen on their passions for our community.

They will have plenty of support from re-elected Councillors Shari Blumer,

Jenny Ellis, Anne Napoli, Christine Stead and Laurie Testoni. All of these Councillors have a variety of experience and bring so much passion and knowledge to the Chamber. We must also acknowledge the past Councillors that missed out, Dino Zappacosta, Glen Andreadza, Manjit Lally, Melissa Marin and Chris Sutton. All have put their lives on hold to represent their community and I want to say a huge thank you to one and all. Dino had been on Council for 37 years which is a wonderful achievement and unlikely to be replicated any time soon. Glen had 5 years' experience and Manjit, Melissa and Chris were elected 2 years and 9 months ago. Again I say thank you to the departing Councillors and look forward to working with all those elected earlier this month.

Stay safe, stay well and above all else be kind to each other and yourself, bye for now.

**Mayor,
Doug Curran**
